## Give thanks to all parents and coaches

- Practice, practice, practice:
  - Summer sports camps: Callaghan's Soccer
    Camp or others
  - Individual practice: ask your Coach for some drills you can do at home or on your own
  - Play: when you have downtime, pick up a ball and play!

"You have to **learn** the rules of the game. And then you have to **play** better than anyone else."
